

Still in the Storm

Verse 1:

G
The thunder rolls, the wind it howls
Em
The storm comes crashing I am alone
C
Darkness covers my path ahead
D
But I will fix my eyes on you

Verse 2:

G
In silence I will wait on You
Em
For power comes when I am still
C
Even if I think that I'm strong
D
I'll let go and I'll let You

Chorus:

C
You will fight my battles
D
I will stand and watch
Em
In triumphant victory Your glory will shine
C
I will cease my striving
D
I'll declare it out
Em *Em*
Be still, and know You are God

Verse 3:

G
Your streams are calm, Your rivers
bring joy
Em
I find healing there I find peace
C
Help my faith to walk on the waters
D
I'll keep fixing my eyes on You

Bridge:

C *G*
And the peace of God shall guard my heart
Am *G*
As I yield on bended knees
C *Em*
For Your yoke is easy and burden light
C *D* *G*
You will lift me up again

Ending:

C *D* *Em*
Be still and know You are God
C *D* *Em*
Be still and know You are God
C *D* *Em*
I'll be still right here in the storm
C *D* *Em*
I'll be still right here in the storm
C *D* *Em*
Be still and know You are God
C *D* *Em*
Be still and know You are God
C *D* *Em*
I'll be still right here in the storm
C *D* *G*
I'll be still right here in the storm
